

QUOTABLE

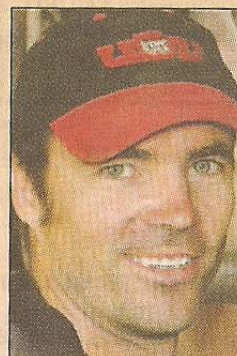

"They can ask me anything they like, nothing is too confronting."

**Bendigo Library
"living book" Graeme
Gordon.
Page 33**

"All our country football and netball folk work very hard and are committed to their clubs. To have people flippantly put a smear across all that good work is an insult."

**VCFL chief executive
Glenn Scott.
Page 35**

"There is a new generation of dairy farmers coming through and technology is second nature to us, but not to the older generation."

**Web designer and
dairy farmer Tim
Gentle on using
technology on farms.
Page 86**

"I think it's worse this year as during the past couple of years at least we had a bit of a start (to pastures) in the autumn, but this time it just hasn't started at all, full stop."

**Riverina farmer John
Holmfeld.
